## Allergens and Intolerances:

All of our dishes are prepared in kitchens where allergens are present and where fresh food is prepared. We use ingredients containing Gluten (Wheat, Barley, Oats) Eggs, Milk, Soy, Celery, Sulphites, Nuts, Peanuts, Fish, Molluscs, Crustacea, Mustard, and Sesame. Please note that not all ingredients are listed in our menu descriptions.

While we take all reasonable precautions, due to the possible risk of cross contamination, we are unable to guarantee the total absence of all traces of allergens in all dishes. If you have particular dietary requirements or intolerances to allergens, we ask that you speak to a member our team before ordering.

We are happy to prepare dishes with non-glutencontaining ingredients upon request but may not always be able to substitute all elements of a dish.

Whilst we take every care to remove them, Fish \& Shellfish may contain small bones or pieces of shell.

Chicken \& Steaks from Halal certified suppliers are available on request.

All weights stated are approximate, pre-cooked quantities.
